**DAWSON'S RAT POISON.**  
THIS invaluable Compound has been tried by most of the Gentry, Farmers, and Corn Merchants, &c., in the south of Ireland, with signal success, and in no instance has they been disappointed, as it possesses properties which attract the Vermin, and which they will readily eat to their certain destruction. The Proprietor can confidently recommend it from practical experience, and from testimonials (of undoubted veracity) received of its efficacy, copies of which may be had from the Agents,
