### A Good Landlord.

TO THE EDITOR OF *The Limerick Chronicle*

SIR—On behalf of myself and all the other Tenants of DERINTHONA, on the Ayle Estate, we have the right to let the County Clare Landlords keep the same pattern, that JAMES DILLON M'NAMARA, Esq. has set them, seeing that we were greatly in arrears for the year ended November last, and we have in the kindest manner forgiven us all arrears up to November last, and given us receipts in full. We think it only just and proper to publish his good example to the world, at a time when we might have been turned out of our land to beg; and may the Scion of the old stock of Ayle be the prayer of us all.

Signed on behalf of all the Tenants on the Estate of Derinthona,

MARTIN M

Derinthona, July 30.
