WOMAN'S PROPHECIES FOR 1913.

Mme. de Thebes, the palmiste and "prophetess," has given out her forecast for 1914, the Paris correspondent of the *Chronicle* states. She says that the year will be fertile in scientific discoveries. There will be serious threats of war, and sensational changes in Germany's institutions. There is to be a terrible flood catastrophe in England, and a new Monarchist government in Portugal.
